

HD680 External Hard Drive

DEFEND YOUR DATA

HD680 External Hard Drive

When bringing your data on the road, you'll want to make sure it's well defended from knocks, drops, and prying eyes. Sporting a robust layered construction, shock sensors, and compatible with AES 256-bit encryption, the ADATA HD680 has you covered!

Military-Grade Protection

The HD680 meets the U.S. Military MIL-STD-810G 516.6 standard. It achieves this with a triple-layer construction that results in an external HDD that can survive falls from up to 1.22 meters.

Convenient Cable Management

The drive has a nifty groove that goes around its shell, serving as a convenient way to store the detachable USB cable.

Shock Sensors

The HD680 features shock sensors that notify you when impact or shaking has been detected with a red indicator light.

Your Data is Secure with AES Encryption

Compatible with AES 256-bit encryption keeps the data inside password-protected and away from prying eyes.

Specifications

- Interface: USB 3.2 Gen1 (USB 5Gbps)
- Capacity: 1TB / 2TB
- Color: Black / Blue
- Dimensions (L x W x H):
124 x 101.7 x 22.9mm / 4.8 x 4 x 0.9"
- Weight:
270g / 9.5oz
- System Requirements: Windows 7/8/8.1/10/11,
Mac OS X 10.6 or later, Linux Kernel 2.6 or later
- Warranty: 3-year limited
