Multi-purpose Business Lamp Projector

NEC ME403U

Bringing exceptional long lamp life performance to the classroom and small meeting room, for classic presentation usage the new generation ME series delivers standard throw projection that's anything but standard. Keeping operational costs to a minimum with no lamp costs to factor in, users enjoy up to 20,000 hours of trouble-free projection and no lamp replacement efforts.

A large 1.6x optical zoom brings impressive integration flexibility making it easier to position the projector in the room, whilst existing ceiling mount locations can be utilised without the need to reposition.

For seamless hand-over between presenters, the projector provides advanced wireless capabilities with an embedded MultiPresenter function, allowing multiple users to connect and share content without having to switch cables.

Benefits

Minimized cost of ownership – due to long lamp life and filter exchange intervals.

Versatile and mobile – compact and light-weight with HDMI and integrated 16W speaker.

Display content that demands attention – with WUXGA resolution and superb brightness levels and colour ranges, your viewers will enjoy an outstanding visual experience.

Wide array of flexible application scenarios – thanks to multi-source conferencing and efficient split-screen operation supported by a wide future-ready range of digital connectivity.
