

Backpack SEVEN 14-16

Best in Class. Built for the Future.

SEVEN – Redefining Excellence The SEVEN is the new flagship in the DICOTA portfolio – our most advanced line to date. It combines decades of expertise with the latest innovations and the clear vision of making mobile working safer, smarter, and more sustainable. Developed from the strengths of the PRO Series and inspired by the real needs of today’s professionals, SEVEN delivers best-in-class functionality, protection, and design. Every detail has been carefully engineered: from DICOTA Cushion Technology and integrated RFID protection to a dedicated tracker compartment for added security. What makes SEVEN truly stand out is its sustainability inside and out. The exterior and interior are both crafted from high-quality rPET materials, giving a second life to recycled plastic bottles while ensuring the durability and premium feel you expect from DICOTA. The result is a series that sets new standards – durable, protective, and sustainable, without compromise. Choose SEVEN if you demand more: more safety for your devices, more intelligent features for your workflow, and more peace of mind through sustainable design. This is DICOTA at its best – the new benchmark in mobile protection.
